- Jim Ryun

This year your holiday homework is the perfect blend of fun and academics. It has been designed to ensure that you enjoy and learn at the same time.

Dear Parent/Guardian,

We, at NPA, owe you big thanks for your constant support in making teaching learning a happy process for our children even in these difficult times.

As the culmination of the tutorial session, we take this chance to congratulate you on the promotion of your child to the subsequent class. We hope our mutual endeavor of producing learned individuals imbued with moral values has been accomplished.

Summer is here and to make it fun and interesting for children we have framed some exciting activities to keep them engaged.
